Baptism and Rehearsal Dates

Baptisms will be performed at the worship services listed below. Please select the service that you prefer, keeping in mind the following factors:

- 1) Parents must attend a Water into Life class prior to the baptism date.
- 2) Parents and godparents must attend the rehearsal associated with the baptism date.
- 3) The days reserved for baptism are prescribed by the Book of Common Prayer (p. 312). For families unable to attend any of the services listed, we may arrange additional baptisms during the summer but not during the seasons of Advent or Lent.
- 4) Baptism dates and times are subject to availability because there is a limit to how many candidates we can reasonably accommodate in one service. Once you have submitted your application, please wait for a confirmation from the church office before informing family and friends of the baptism date.
